Board of Directors - Quarterly Meeting Minutes

Meeting Reference: BOD-2026-Q3 | Classification: Strictly Confidential

The quarterly meeting of the Board of Directors was convened on October 1, 2026. Attendees included the Chief Executive Officer, Chief Technology Officer, and independent directors. The primary focus was establishing strategic investments and organizational governance directives.

Strategic Initiatives & Enterprise Architecture

The committee evaluated progress on modernizing data infrastructure and implementing the VaultRAG secure multi-modal retrieval system. Emphasis was placed on ensuring robust access control boundaries across multi-tenant vector repositories.

Operational Performance & Expansion Roadmap

Operational performance across technology divisions demonstrated high compliance and throughput. Resource allocation targets were aligned with future scaling requirements.

Financial Appropriations & Budget Authorization

Following review of growth projections and market opportunities, the committee finalized departmental allocations. The board approved a marketing budget of Rs. 12 lakh for Q3. The allocation covers digital acquisition channels, customer outreach summits, and developer ecosystem expansion.

Quarterly variance reports will be prepared by the marketing operations team and submitted for monthly review.

Resolutions and Executive Sign-Off

All financial resolutions were duly proposed, seconded, and passed unanimously by the board. Approval was recorded by the finance head. The meeting concluded with directives to schedule the subsequent review in January 2027.
