Internal Finance Memorandum - Q3 Disbursements

Disbursement Verification & Accounts Payable

The accounts department has completed validation for immediate vendor reconciliation. Invoice 1042 total is Rs. 48,500. The invoice corresponds to specialized security hardware and token dispatch services received in August.

Verification confirms that all purchase orders and receipt notes have been matched and signed by authorized personnel.

Tax Deductions and Audit Documentation

Applicable tax deductions at source have been calculated and deducted according to tax regulations. All payment vouchers have been submitted to internal audit archives for year-end compliance review.
