Leave Policy Summary (Public Overview)

1. Summary of Annual Leave Provisions

This document provides a general summary of employee leave policies applicable across the organization. Every employee receives 20 days of paid leave per year. Leave is accrued on a monthly basis and is available for utilization upon completion of probation.

Employees are encouraged to plan their vacations proactively to ensure operational continuity within teams.

2. Workflow and Approval Matrix

All leave requests must be logged through the internal HR portal. Direct line managers review and approve requests based on project coverage. Standard turnaround time for approval is two business days.
